# **FREEZING FRUITS AND VEGETABLES**

Motion picture made under the supervision of specialists  
of the Bureau of Human Nutrition and Home Economics

## **Film Tells Story, Step by Step**

Shows how to prepare and package fruits and vegetables for freezing in home freezer or in commercial locker plant.

Illustrates with step-by-step close-ups recommended methods for corn, broccoli, strawberries, and peaches.

Demonstrates special home-made equipment for filling and sealing packages.

Gives you the answer to such questions as—

How long to scald vegetables.

How to keep fruit from darkening.

How to sweeten fruit.

How to seal different types of containers.

## **How to Borrow Film**

The film is available for loan from State Agricultural Extension Service or State University Film Libraries. (See list on back of this folder.)

Address all requests for bookings to the film library in your State, giving date or dates on which film will be used.

Make requests as far in advance of show dates as possible.

Borrower is usually required to pay transportation charges both ways, plus small service charge for use of film. Department employees and State extension workers may secure film without service charge.

## **How to Buy Film**
